Sir,

In G. O. No. 1943 Law (Education) dated the 14th October 1933 the Government were pleased to sanction the debit of only Rs 225/- out of Rs 375/- paid as -- gratuity to retired teacher K. V. Shankaranarayana on the ground that he belonged to inferior service when he was drawing a pay at the rate of Rs 10/- or less. The Government in their order No. 4084 Law dated the 4th October 1933 i.e. 10 days prior to the date of the G. O. referred to above have been pleased to order that

for the purpose of gratuity the services rendered by school masters be treated as "superior" irrespective of their pay. The order passed in the later Government order appears to be inconsistent with the former one and needs reconsideration.

2. The Taluk Board in their resolution No. 184 dated 25.10.33 have ordered to take steps to recover the balance of Rs 150/- from the ex-teacher. But he has now submitted a petition pleading poverty and requesting the Board to waive recovery of the amount As represented in my previous letter on the subject the old teacher is really unable to maintain himself and his family and is living from hand to mouth. It would be therefore very hard, cruel and impossible to extract anything from him.

3. I have the honour therefore to request, that the Government who are pleased to announce that the services of a school master should be treated as "superior" may be --- graciously pleased to allow the payment of the gratuity of the full amount of Rs 375/- now held under objection and --- direct withdrawal of the objection.

Your most obedient servant,
